Whorl Vase

By Currey & Company

Description

The Whorl White Vase is expertly crafted from 3D printed porcelain, featuring a sculptural silhouette inspired by an inverted tassel. Its graceful, swirling form creates the illusion of upward movement, while the flowing lines of the white porcelain lend a sense of fluidity and elegance. Bold in scale and striking in design, this statement piece brings contemporary artistry to any interior. Please note that the vase is decorative and is not watertight.
