Helios Drinks Table

By Currey & Company

Description

The Helios Drinks Table introduces a bold geometric presence to any interior. Crafted from iron with an aged patina finish, the sculptural base, stem, and tabletop rim showcase rich texture and character. A fluted detail along the stem and a graceful trumpet shaped transition at the base add architectural interest, while the pointed accents around the tabletop edge evoke the intricate forms of medieval armor. Topped with a crisp white marble disc, this metal drinks table creates a striking black and white contrast that complements the clean, timeless appeal of modern farmhouse style.
