Anika Vase Set of 2

By Currey & Company

Description

The Anika Vase Set is crafted from cast aluminum and finished with an artistic blend of gold and white. Inspired by the expressive strokes of a palette knife, each vase is hand finished with layers of white over a rich gold surface, creating a bold, textural effect. The gleaming gold interiors echo the metallic accents on the exterior, adding depth and sophistication to these sculptural decorative pieces.

Shown in white / gold
