Derian Box Set of 2

By Currey & Company

Description

The Derian Box Set brings a bold, tailored aesthetic to any interior. Crafted from horn, each nesting box is distinguished by hand-chiseled striations, created as skilled artisans carefully angle their tools to carve rhythmic lines across the surface. Crisp black and white diamond motifs provide striking contrast, enhancing the boxes' graphic appeal. The result is a pair of sculptural decorative accents that showcase exceptional craftsmanship and timeless design.
