Bheslana Bookends Set of 2

By Currey & Company

Description

The Bheslana Marble Black Bookends Set includes two sculptural pieces crafted from richly veined black marble, each showcasing the stone's natural character and subtle patina. The distinctive veining ensures that no two bookends are exactly alike, making every set one of a kind. With their bold, Brutalist-inspired silhouette, these decorative bookends bring a refined architectural presence to contemporary interiors. Natural stone is prized for its unique character. Variations in color, pattern, and veining are inherent to the material, making each piece beautifully one of a kind.
