Happy 80'S Small Vase

By Currey & Company

Description

The Happy 80's Small Bright Blue Red Vase channels the bold, playful energy of the 1980s through a contemporary lens. Hand thrown from porcelain, the vase is distinguished by vibrant blue and red striations that are expertly applied as it spins on the potter's wheel. This meticulous technique creates dynamic, flowing patterns that celebrate the artistry and precision of the maker. Because each vase is individually hand-painted, subtle variations in color and pattern make every piece uniquely one of a kind.
