Can Portable Lamp

By davidpompa

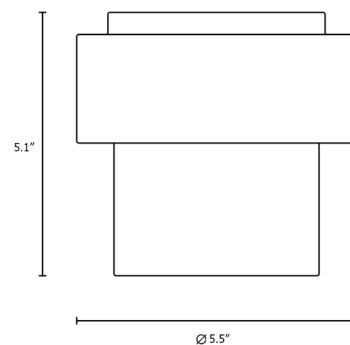

Description

The Can Portable Table Lamp is a perfect mix of the old and the new. The lamp's body is crafted from Barro Natural clay with a round, geometric silhouette inspired by Mexico's pre-Spanish ceramic traditions. Barro Natural clay comes from the Puebla region and is finished with beeswax to accentuate its warm, earthy tone. Can is fitted with a built-in LED light source and 3 step touch dimmer with a rechargeable battery, allowing it to be placed wherever it is needed to create the perfect atmosphere.
