Solis Lighted Living Space Mirror

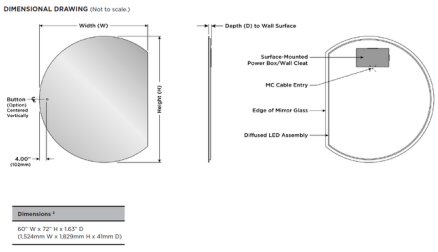

By Electric Mirror

Description

Radiating quiet elegance, the Solis Lighted Living Space Mirror brings sculptural serenity and soft symmetry to any space. Its gently rounded form is complemented by a subtle flat edge an intentional design detail that allows it to nestle beautifully into a corner or align gracefully against a wall edge. This versatile geometry makes Solis both a functional fixture and a refined architectural element.Perimeter wall-glow ambient lighting with diffuser for a finished side view. Flexible orientation enables mirror to be hung with flat edge on right or left side. Controlled by Phase/Triac dimming wall switch (by others).Note: Solis can only be hung in the W x H orientation as shown; fixture is not field-interchangeable.

Shown in white / mirror

Dimensions *
60" W x 72" H x 1.63" D (1,524mm W x 1,829mm H x 41mm D)
