Aurora Lighted Mirror

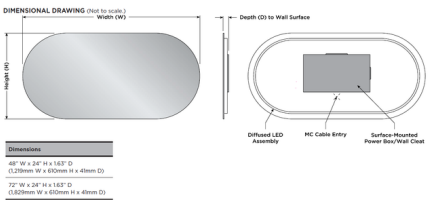

By Electric Mirror

Description

Radiant and refined, the Aurora Lighted Mirror features a graceful, pill-shaped silhouette designed to hang horizontally over the vanity. Soft, rounded edges and integrated illumination create a serene glow that enhances any bathroom with a sense of modern tranquility. Aurora's timeless form makes it a striking focal point in both contemporary and transitional spaces. .High-density linear LED design for even light distribution. Perimeter wall-glow lighting with diffuser for a finished side view.Controlled by Phase/Triac dimming wall switch (by others).Note: Essence can only be hung in the W x H orientation as shown; fixture is not field-interchangeable.
