Ellura Lighted Mirror

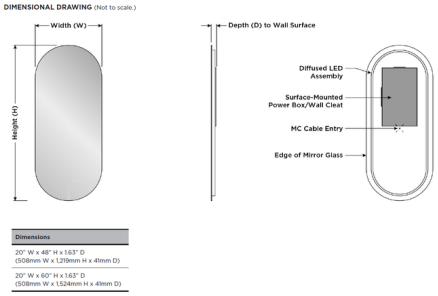

By Electric Mirror

Description

Sleek and sculptural, the Ellura Lighted Mirror brings elegant form and soft illumination to the modern bath. Its tall, pill-shaped profile features gently rounded ends, offering a harmonious balance of minimalism and warmth. Designed to hang beautifully above a bathroom vanity, Ellura is available in multiple sizes to suit a variety of spaces and design visions. High-density linear LED design for even light distribution. Perimeter wall-glow lighting with diffuser for a finished side view.Controlled by Phase/Triac dimming wall switch (by others).Note: Ellura can only be hung in the W x H orientation as shown; fixture is not field-interchangeable.
