Pinnacle Lighted Mirror

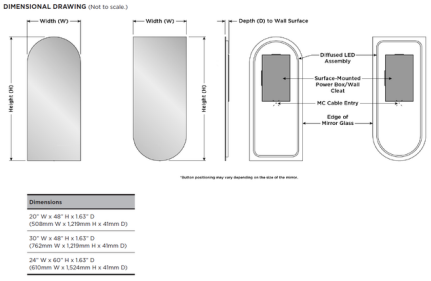

By Electric Mirror

Description

Sleek and statuesque, the Pinnacle Lighted Mirror brings architectural elegance to the modern bathroom. Its tall, narrow form is perfectly proportioned for vertical spaces, while its versatile design allows it to hang with the rounded end up for a classic arch or down for a bold, contemporary twist. With clean lines and glowing illumination, Pinnacle elevates any bathroom with purposeful sophistication.High-density linear LED design for even light distribution. Perimeter wall-glow ambient lighting with diffuser for a finished side view.Flexible orientation enables mirror to be hung with arched end on top or bottom. Pinnacle can be hung in the WxH orientation as shown with the arched end on either top or bottom. Controlled by Phase/Triac dimming wall switch (by others). Note: Pinnacle can only be hung in the W x H orientation as shown; fixture is not field-interchangeable.
