Saratoga Lighted Mirror

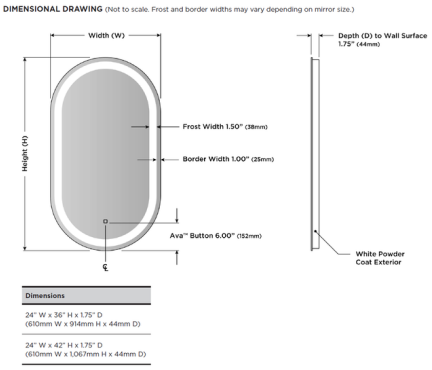

By Electric Mirror

Description

The Saratoga Lighted Mirror will elevate the decor of any space with its oblong silhouette and inset frosted perimeter. The LED light source provides even, diffused lighting with a high color-rendering index for flattering, natural illumination.Available in standard dimming option (Forward-phase/Triac dimming) or Ava. Ava touch-tunable white and dimming technology allows user to switch color temperatures between 2700K, 3000K, 3500K, 4000K, 5000K, Night Glow, and dim to off. Night Glow mode is eye sensitivity adjustable technology which automatically reduces the light level as eyes adjust to low light. Adjustable brightness level from 10 to 100 percent.
