Medusa Table Lamp

By Established & Sons

Description

Originally designed in 1969 by Carlo Nason, the Medusa Table Lamp echoes the elegantly curved shape of a jellyfish and showcases the experimentation of Italian Modernism. The sinuous, modern silhouette showcases the rich heritage of Italian glassmaking, and an LED light source within an inner White Mist glass diffuser brings a modern touch to this classic design. Touch dimmer switch located on top of the lamp.

Specifications

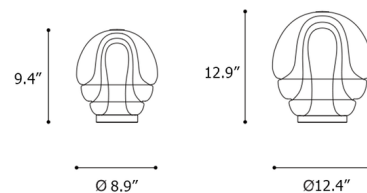

COLOR White Mist
BODY FINISH Black
WATTAGE 6W
