Feve Table

By Ferm Living

Description

The Feve Table is crafted from FSC-certified solid European walnut. A refined addition to the Feve Family, it continues the collection's organic lines and elegant craftsmanship. The generous tabletop offers space for writing, laptop work or creative tasks. An optional drawer can be mounted on either side to keep papers, stationery or devices neatly tucked away. In smaller spaces, the Feve Table also works beautifully as a compact dining table.
