Feve Wall Cabinet

By Ferm Living

Description

Made from solid FSC certified European Walnut, the Feve Wall Cabinet has an organic and warm expression that will suit any space. As a reference to the distinctive shape of the cabinet door, which appears to be floating when hung on the wall, the Feve Wall Cabinet gets its name from the French word for bean. The slim, decorative cabinet presents an ideal storage solution for precious treasures and can be used throughout the home, from storing jewelry in the bedroom to glasses or small bowls in the dining room.
