Grova Pedestal

By Ferm Living

Description

Bring a gallery-like presence to your space with the Grova Pedestal, crafted from FSC-certified solid ash and grounded by a solid travertine foot. The stone pierces through the tabletop in a striking architectural gesture, while the softly carved surface tapers gently towards the point where the travertine emerges. Inspired by mangrove ecosystems, where roots break through the water's surface, the Grova Pedestal functions beautifully as both a side table and an artful statement piece.
