Lager Coat Rack

By Ferm Living

Description

The Lager Coat Rack, part of the Lager Family, is named after the Danish word for 'warehouse' and draws inspiration from the industrial aesthetic of brutalism. Crafted from finely brushed aluminum sheets or powder-coated iron sheets, this sleek and functional piece is designed for seamless wall mounting, offering an elegant yet practical space for jackets, coats, and other hangable items. Its minimalist form adds a bold, refined touch to any hallway.
