## Muro Vase

By Ferm Living

### Description

The Muro Series takes its name from the Spanish word for wall,' referencing its architectural origins and connection to Can Lis. This trio of mouth-blown recycled glass vases, each with distinct dimensions and forms, draws inspiration from the texture and structure of bricks. Shaped using molds from actual bricks, the vases embody subtle architectural nuances, while the mouth-blown process imparts an artisanal character to each piece.

Shown in amber

### Specifications

|                   |                          |
