Trace Vase By Ferm Living

Description

The name 'Trace' aptly describes the hand painted line that gracefully adorns the body of this vase. Resembling a meandering path, the line creates a captivating graphic imagery that beautifully contrasts the vase's curvaceous form. The handles seamlessly extend from the path, infusing the line with a sense of movement as it gracefully transitions into a three-dimensional shape. The generous size of the vase makes it ideal for making a bold statement as a floor vase or for showcasing flowers on a tabletop.
