Antonia Cylinder Pendant

By Fine Art Handcrafted Lighting

Description

The Antonia Cylinder Pendant brings a stunning beauty to your interior space. The soft cylinder of metal are left bare, with no skin, or accented with a Parchment skin and capped by clear crystal, creating a stunning glow of light across your room. Note: Parchments are ethically procured as by-products of the meat industry, and no animal is harmed for the purpose of its skin. This is a natural material and therefore is subject to change from hide to hide.
