Antonia Cylinder Linear Pendant

By Fine Art Handcrafted Lighting

Description

The Antonia Cylinder Linear Pendant brings a stunning beauty to your interior space. Soft cylinders of metal are left bare, with no skin, or accented with a Parchment skin and capped by clear crystal, creating a stunning glow of light across your room. Adjust each individual Pendant to create your own unique look. Note: Parchments are ethically procured as by-products of the meat industry, and no animal is harmed for the purpose of its skin. This is a natural material and therefore is subject to change from hide to hide.
