Mirage Chandelier

By Fine Art Handcrafted Lighting

Description

The Mirage Chandelier transforms your space into a work of visual poetry. Crafted from upcycled shagreen and accented with mixed metal finishes, its sophisticated design evokes the gentle movement of a desert zephyr. These artfully layered elements diffuse a warm, inviting glow, casting captivating patterns of light and shadow that bring depth, texture, and ambiance to any room. Notes Choose a Shagreen for the decorative band. Choose a metal Accent for the circle details and final.
