Saddle Creek Wall Sconce

By Hunter Fan

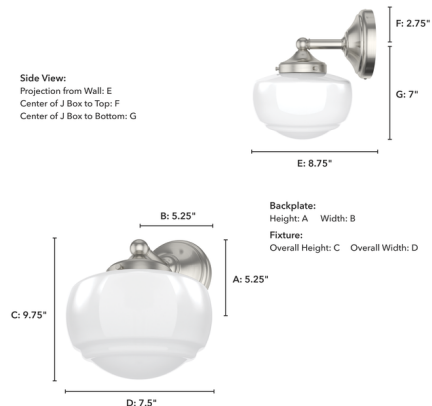

Description

The Saddle Creek Wall Sconce combines traditional schoolhouse style with elevated elements to create a fresh spin on a classic design. Inspired by the iconic American schoolhouse light, the Saddle Creek illustrates the contemporary design principle of better, not more. The detailed glass shade complements the casual simplicity of the sconce's metal fittings and finish. Mix and match with other fixtures from this collection or from our ceiling fan designs.

Shown in brushed nickel / white
