Saddle Creek Linear Chandelier

By Hunter Fan

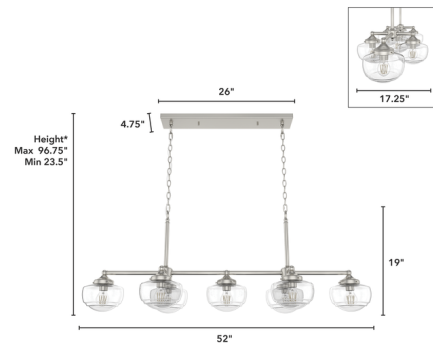

Description

With its modern take on schoolhouse style, the Saddle Creek Linear Chandelier might be the perfect fixture for your home's dining room or kitchen. Artfully arranged glass globes offset the chandelier's simple metal finish, creating a piece elegant enough to accent a formal dining room yet casual enough for a kitchen island. The Saddle Creek offers a fresh look at a classic design.

Shown in brushed nickel / clear seeded

*Height is ceiling to bottom of fixture
