Talita Table Lamp

By Mitzi

Description

Creating a sense of rhythm and tension, the Talita table lamp features a stacked, totemic silhouette with repeating soft cylindrical forms that undulate in and out. The cement composite base is finished in textured white and paired with a natural jute shade for added warmth. An Aged brass finial at the top of Talita adds a note of polish. ON/OFF SWITCH ON SOCKET*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
