Drew Table Lamp

By Mitzi

Description

The Drew table lamp explores stacked, totemic geometries with sculptural cutaways that form pockets of depth and shadow. To complement the 1970s-inspired design, the Ceramic Mocha Luce glaze introduces a warm, nostalgic note. This playful lamp is topped with an off-white linen shade and finished with Aged Brass hardware. ON/OFF SWITCH ON SOCKET*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
