Makena Chandelier By Mitzi

Description

Makena steps boldly into the realm of play with its swooping curves and mixed materiality. Along the dramatic swag, white oak wood spheres are strung like beads on a necklace. A large cloud glass orb dangles at each end, supported by an Aged Brass fitter. *Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in aged brass / cloud
