Sariah Wall Sconce

By Mitzi

Description

Fluttering edges, flowing lines, and the natural beauty of alabaster transform the Sariah sconce into a work of art. The organically shaped stone shade is supported by an Aged Brass gooseneck arm that wraps the fixture in an earring-like embrace. When illuminated, the unique veining of the translucent alabaster comes to life.*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
