Maliah Pendant

By Mitzi

Description

A traditional hanging lantern silhouette is updated with a romantic twist in Maliah. Loosely reminiscent of a raindrop, the organically shaped cream opal glass shade provides soft, translucent diffusion. Finished in Patina Brass, the decorative metalwork adds a flourish of style with a sculptural loop and jewelry-like chain. Maliah is available in two sizes, each with a slightly different form. The smaller version has a more elongated, teardrop shape, while the larger is more compact and rounded.
