Teneece Table Lamp

By Mitzi

Description

The Teneece table lamp features a voluminous cylindrical form with a sculpted cove at the shoulder, giving the silhouette an architectural edge. The matte ceramic Toasted Caramel glaze adds a warm, painterly wash of color, paired with a crisp white linen drum shade that reinforces the clean geometry of the base. Aged Brass hardware finishes this style-forward lamp. On/Off switch on cord.*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
