Etta Table Lamp

By Mitzi

Description

A folk floral motif wraps the Etta table lamp. Debossed into the cylindrical ceramic base, the pattern reveals ivory beneath the midnight bloom glaze. This stark color coordinates with the gathered white linen shade, giving it an intentional and artisanal feel. Etta is finished with hidden Aged Brass hardware. On/Off switch on socket.*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
