Totem Color-Select Metal Wall /Ceiling Ceiling Light

By Pablo

Description

The Totem Color-Select Metal Wall /Ceiling Ceiling Light reflects, softens, and deepens light. Its spun metal shade has a subtle texture, catching illumination as it radiates outward in an even, ambient glow. A luminous LED is concealed at the center, creating a layered interplay of light and shadow. LED color selectable options include 2700K, 3000K, and 3500K. Compatible with TRIAC/ELV and 0-10V dimmers

Shown in matte gray / walnut / slate blue
