Jounce Color-Select Pendant

By Schonbek Beyond

Description

The Jounce Pendant is inspired by the dazzling brilliance of a wedding band. Wrapped in shimmering linear Radiant Crystal Dust, its sculptural form glows beautifully from every angle. Suspended by slender, nearly invisible cables, the pendant creates the illusion of floating effortlessly within the space. Crystal details softly diffuse the light, infusing any interior with refined elegance, warmth, and luminous sophistication. The driver is concealed within the canopy. Notes Dimmable with Triac or Low Voltage Electronic dimmers, sold separately. Built in color temperature adjustability. Switch from 3000K/3500K/4000K/5000K.
