Bergy Color-Select Pendant

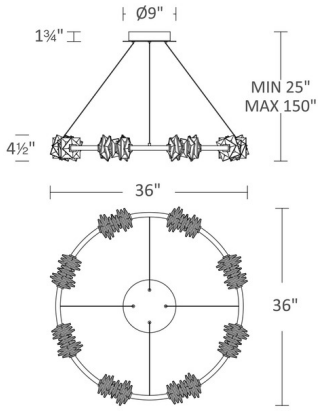

By Schonbek Beyond

Description

The Bergy Pendant commands attention with a bold, architectural presence inspired by the raw beauty of crystalline formations. Suspended from a sweeping circular frame, faceted Optic Crystal clusters evoke the dramatic geometry of jagged ice, creating a sculptural composition of striking angles and exceptional clarity. Each precisely mounted crystal stack enhances the fixture's faceted form, capturing and refracting integrated LED illumination to produce brilliant sparkle and dynamic reflections. The result is a captivating statement piece that merges contemporary design with the timeless allure of crystal.NotesDimmable with Triac, Low Voltage Electronic, or 0-10V dimmers, sold separately.Built in color temperature adjustability. Switch from 3000K/3500K/4000K/5000K.

Shown in aged brass / radiance crystal dust

Specifications
