Gainey Indoor / Outdoor Color-Select Pendant By Schonbek Beyond

Description

The Gainey Indoor/Outdoor Pendant offers a modern interpretation of the classic lantern, balancing timeless form with contemporary design. At its center, a solid Optic Crystal cylinder, precisely cut with V-grooved detailing, captures and refracts integrated LED light into crisp, linear patterns. A sculptural metal frame with scalloped detailing at the top and bottom surrounds the crystal, adding texture, dimension, and a refined industrial character. Notes Dimmable with Triac or Low Voltage Electronic dimmers, sold separately. Built in color temperature adjustability. Switch from 3000K/3500K/4000K/5000K.
