Ariana Color-Select Wall Sconce

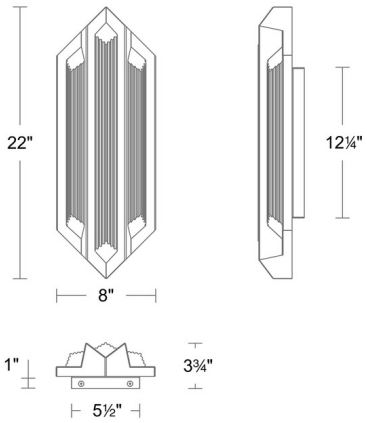

By Schonbek Beyond

Description

The Ariana Wall Sconce showcases modern crystal artistry through a bold, architectural silhouette and meticulously crafted details. Solid Optic Crystal bars, precisely sculpted with V cut grooves, are framed within a sharply contoured metal structure that highlights their remarkable prismatic depth. Integrated LED illumination radiates through the crystal, revealing layers of refracted brilliance and creating a captivating interplay of light and texture. Balancing clean contemporary lines with exceptional craftsmanship, the Ariana brings refined elegance to any interior. May be mounted horizontally or vertically.NotesDimmable with Triac or Low Voltage Electronic dimmers, sold separately.Built in color temperature adjustability. Switch from 3000K/3500K/4000K/5000K.

Shown in brushed nickel / radiance crystal dust
