Gretel Color-Select Bathroom Vanity Light By Schonbek Beyond

Description

The Gretel Bathroom Vanity Light reimagines the glamour of Art Deco through a bold, contemporary lens. Framed by a striking chevron-inspired metal silhouette, a faceted Optic Crystal bar takes center stage, its precision cut surfaces capturing and refracting LED light into brilliant, jewel like patterns. Clean lines, geometric elegance, and radiant sparkle combine to create a sophisticated statement that brings timeless Deco influence to modern interiors.

Notes Dimmable with Triac or Low Voltage Electronic dimmers, sold separately. Built in color temperature adjustability. Switch from 3000K/3500K/4000K/5000K.
