# Drizzle Bathroom Vanity Light

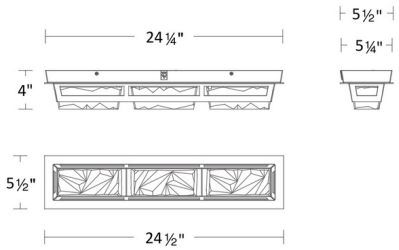

By Schonbek Beyond

## Description

The Drizzle Bathroom Vanity Light captures the raw beauty of sculpted ice in a refined, contemporary design. Its multifaceted diffuser, carved with angular crystalline planes, evokes the depth and texture of frozen water suspended in time. Integrated LED illumination radiates through the textured surface, creating brilliant refractions and a captivating interplay of light. Crisp accents frame the diffuser with clean architectural lines.Note: Dimmable with Triac or Low Voltage Electronic dimmers, sold separately.
