Organza Color-Select Hanging Wall Sconce By Schonbek Beyond

Description

The Organza Hanging Wall Sconce captures the bold geometry and timeless glamour of Art Deco through a striking fusion of steel and crystal. Layered Optic Haze Quartz rods, framed by refined metallic accents, cascade in an elegant formation, each illuminated by a concealed light source. As illumination passes through the natural stone, subtle variations in luster, hue, and texture are revealed, creating a captivating glow with depth, dimension, and sophisticated brilliance. The driver is concealed within the backplate. Notes Dimmable with Triac or Low Voltage Electronic dimmers, sold separately. Built in color temperature adjustability. Switch from 3000K/3500K/4000K/5000K.
