Zander Wall Sconce

By Troy Lighting

DAMP

Description

The Zander Wall Sconce channels the relaxed ease of island living with a fresh take on a woven sconce. Vertical strands of rattan run the length of the shade, gathered at the center with a finer interwoven detail that adds texture and structure. An inner off-white linen shade diffuses light from the two bulbs, resulting in an ambient glow.Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in rattan
