Richard Convertible Semi Flush Pendant By Troy Lighting

Description

The Richard Convertible Semi Flush Pendant balances woven rattan with sculptural metalwork, mingling natural with manmade. The wide shade features an airy, open weave that lets light filter through. Finished in Patina Brass, a unique metal suspension loops seamlessly from interior to exterior, creating an industrial contrast to the coastal shade. Can be mounted as a pendant or semi flush. Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in patina brass / natural rattan
