Zorin Table Lamp

By Troy Lighting

Description

The Zorin Table Lamp features a softly contoured silhouette with a brushed, stone-like surface texture. Finished in a Ceramic Rippling Snow glaze, the base is complemented by an off-white linen drum shade and hidden Patina Brass hardware. Its simplistic, yet sculptural form language makes it a versatile piece for a range of interiors. On/off switch located on socket.Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
