Hermann Double Wall Sconce

By Troy Lighting

DAMP

Description

The Hermann Double Wall Sconce combines rounded forms with modern proportions to create a highly versatile wall sconce. Available with 1 or 2 lights, the matte cloud glass shades feature a curved edge that allows light to flow up and down freely. A Patina Brass cuff and backplate anchor the design, giving Hermann a tailored, high-end finish. Can be mounted vertical or horizontally.

Shown in patina brass / matte cloud
