Dorian Table Lamp

By Troy Lighting

Description

The contoured base of the Dorian Table Lamp balances simplicity with artistry. The materiality takes center stage, with the rustic clay ceramic finish and organic grooves in the base creating a grounded, timeworn effect. Topped with an off-white linen shade and fitted with Patina Brass hardware, this earthy lamp is adaptable for a multitude of spaces. On/off switch located on socket. Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in rustic clay / off white
