Acker Table Lamp

By Troy Lighting

Description

Leaning into calming neutrals, the Acker Table Lamp is an elevated everyday staple. The elongated cylindrical base is coated in a speckled Glazed Terracotta Ceramic finish that brings dimension to the surface. Subtle ribbing at the base adds further visual interest. A complementary Wheat Linen shade and Patina Brass hardware round out this monochromatic lamp. On/off switch located on socket. Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in terracotta / wheat linen
