Yuba Table Lamp

By Troy Lighting

Description

With its elongated silhouette and weathered finish quality, the Yuba Table Lamp leans into an age-old, sculptural design language. The contoured base is finished in a Ceramic Ancient Vessel glaze that evokes sun-worn stone, lending an organic, almost outdoor sensibility. Topped with a wide, tapered Sandstone linen shade and fitted with Patina Brass hardware, it adds a classical beauty to tables and consoles. On/off switch located on socket. Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in ceramic ancient vessel / sandstone

Specifications
