Bentley Wall Sconce

By Troy Lighting

DAMP

Description

Inspired by large-scale coastal art installations, the Bentley Wall Sconce leans into a rustic yet elevated design language. Each tiered silhouette is composed of whitewashed wood panels, arranged with a handmade, organic irregularity that gives every piece its own character. Strands of jute wrap the ring frame, coordinating in tone with the Patina Brass hardware. Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
