Gino Table Lamp

By Troy Lighting

Description

The Gino Table Lamp celebrates the beauty of the handmade. The uneven, grooved surface texture of the ceramic base recalls natural forms, blooming like mushrooms or rippling like ocean waves. Balanced by a flared woven Saguran shade that diffuses light across the base, this lamp feels elemental and expressive with an enduring ripple glaze finish. On/off switch located on socket. Note: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
