# Lonnie Wall Sconce

By Troy Lighting

DAMP

## Description

Tipping its cap to designer Hans-Agne Jakobsson, the Lonnie Wall Sconce rethinks the materiality of his classic umbrella-shaped shade. In this interpretation, the shade is wrapped in bleached abaca rope, allowing light to pass through the weave. As a decorative detail, the Vintage Gold Leaf stem suspending the shade appears to pierce through the entire fixture, finishing in a sphere finial.

Shown in vintage gold leaf / bleach
