Addis Round Multi-Light Pendant By Crystorama

Description

The Addis Round Multi-Light Pendant offers a contemporary interpretation of the iconic midcentury modern Tronchi chandelier. Defined by elegant lines and refined geometric forms, it brings timeless sophistication to modern interiors. Layers of textured Tronchi glass tubes form a striking rounded star silhouette, diffusing light into a warm, ambient glow while casting captivating shadows that enrich the surrounding space. Adjust each pendant to create your own unique look. Note: Amber glass is not available with a Polished Chrome finish. Due to the weight of the 28 light and 46 light fixtures, additional ceiling support is required.
